LCL EXPORT BULLETIN

Dear Valued Customer,

The majority of the shipping companies involved in the USA to Central America and Caribbean trade, implemented increases to their Bill of Lading Fees over the past several years. We have resisted raising our BL Fee for quite some time now, however, due to increases in the administrative cost of managing the processing of the export bills of lading, we will adjust our BL fee from \$20 to \$25; thereby bringing us in alignment with the market. This change will be effective May 1, 2017.
